# SPLASH INTO MONROE CO./TOLEDO NORTH KOA

# See you in 2015!

As the new general manager of Monroe County/Toledo North KOA, I can't wait to meet you and welcome you to our wonderful campground this season.

I've spent the last year as general manager at Mount Rushmore KOA, a beautiful resort nestled in the Black Hills of South Dakota. I'm excited to bring my KOA experience back to my hometown. I was born and raised in the area, so it is good to be back home again.

We have a terrific calendar of special weekends planned to make your stay with us a memorable one. We also put a lot of planning into our weekday activities, so there's no shortage of cool things to do whenever you visit.

Now is a great time to book the dates for your stay. Our new deluxe cabins were a big hit last summer and will be in demand again this year. Two of the new cabins sleep up to eight people—great for big families looking for a perfect camping headquarters.

Whether you are RVing, tent camping or seeking a deluxe cabin experience, you'll have a great stay with us. There's nothing that makes me happier than helping our campers enjoy every day of their stay.

Thank you so much for choosing us to host your family and make great memories.

### WHAT'S IN A WEEKEND?

Pick a weekend—any weekend—and get ready to have some fun.

One of our favorites is **Firefighter Weekend** Aug. 21 - 22, when we welcome our local emergency responders to the campground. Kids (and lots of adults) will be excited to check out the emergency rescue vehicles. Firefighters will be in action in the smoke house and will help young campers shoot water cannons off the fire trucks.

Our **Care Camps Big Weekend** is May 8 - 9, which is Mother's Day Weekend, too. Enjoy lots of activities with mom and help raise funds for KOA Care Camps for kids with cancer. Hit the beach July 10 - 11 for the **Family Sand Castle Competition**, where masterpieces are created before your eyes.

Find a weekend that fits your calendar and sense of adventure, then book your stay!
